

11.1 Administration

Applications for amendment to this bylaw shall be made to the Director of Planning Services on forms available from the Planning Department.

11.2 Enforcement

- (a) The Manager of Inspection Services shall be responsible for the enforcement of this bylaw and for carrying out inspections regarding the use and occupancy of buildings and structures.
- (b) The Manager of Inspection Services or any of his inspectors or the Chief Constable or Municipal Constable are hereby authorized to enter at all reasonable times upon any property for the purpose of administering and enforcing this bylaw.
- (c) The Manager of Inspection Services may cause a written notice to be delivered to the owner of any property directing him to correct any condition which constitutes a violation of this bylaw or ordering him to cease any activity not permitted by this bylaw.
- (d) Prior to issuing any building permit, the Manager of Inspection Services shall ensure that the requirements of the Zoning Bylaw have been met for a single-family dwelling use, a two-family dwelling use not subject to a development permit, or any use accessory to these, or that an approved site development plan approved by the Director of Planning Services for all other uses has been received.
- (e) No person shall prevent or obstruct or attempt to prevent or obstruct the entry onto any property by the Manager of Inspection Services or any of his inspectors or the Chief Constable or a Municipal Constable authorized to enter upon property by this bylaw.
